Great news !!! GGGF Gammaly Granada Grande Fiesta 😊

Instituto de Astrofísica de Andalucía - CSIC

Instituto de Astrofísica de Andalucía - CSIC

- Funded in 1975
- One of the 120 institutes of CSIC (Spanish National Research Council)
- Reference Astronomy and Astrophysics institute of CSIC
- Second Astronomy and Astrophysics institute of Spain (~200 employees)
- Awarded last year with prestigious distinction Center of Excellence

4 Astrophysics Departments

- Stellar Physics
- Radio Astronomy and Galactic Structure
- Extragalactic Astronomy
- Solar System Astrophysics

1 Technical Development Unit

1 Outreach Unit

2 International Optical Observatories

- Close to highest peak of Iberic Peninsula
- Sharing location with IRAM 30m submm observatory
- Sierra Nevada
 - Calar Alto

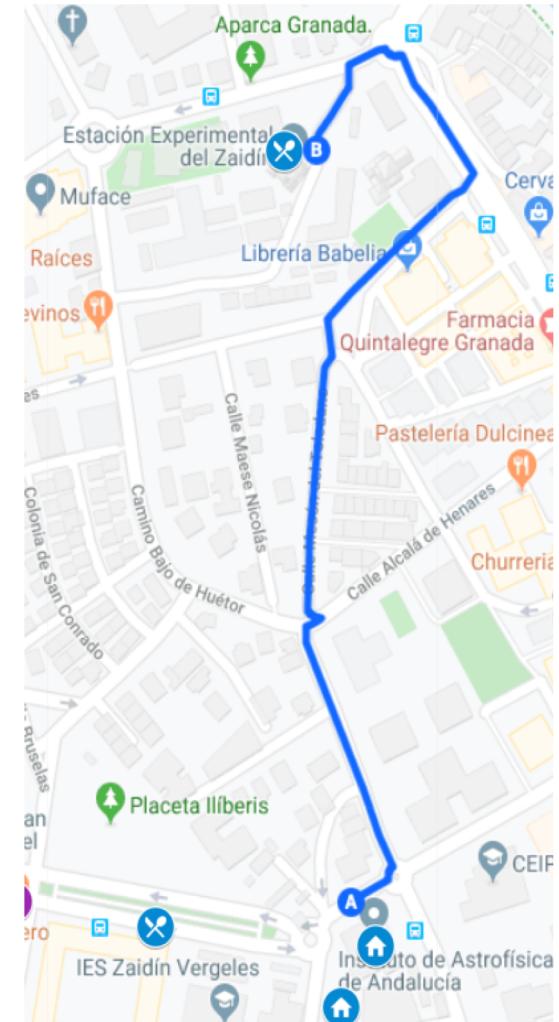

Leading role in radio astronomy

Coordination of Spanish participation of SKA

Lunch

- European lunch time ~12:45h Menu 5.85 €
- Estación Experimental Zaidín – CSIC
- We could also try other places
- Check out the map in Github page 

Coffee

- Coffee / Tea / Juice / Pastries
In this room / talks outside corridor
- IAA Cafeteria in Building A

Tapas

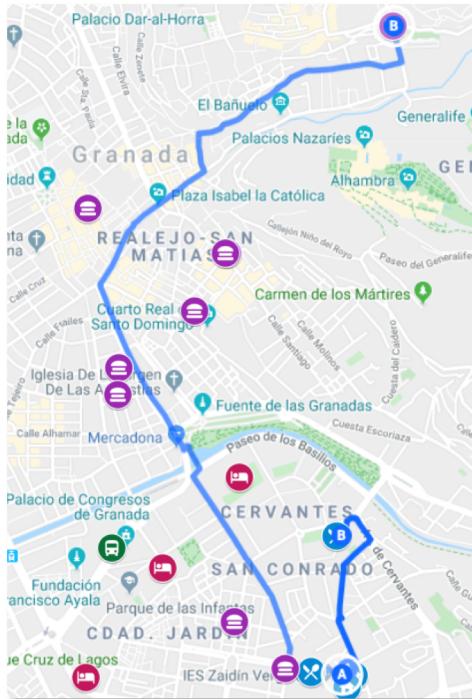

- Any day you're welcome to join for evening tapas
- Check out the map in Github page 
- Check out also slack #granada channel to join

Concept: **good** food that comes with drink for **free**
Goal: achieve a high level of **conversation** with **friends**

Dinner

- Thursday 21 @ 21:00 h
- Carmen de la Victoria – Universidad de Granada
- About 45 min walking distance from IAA – CSIC
- Menu ~ 20 - 25 €

Wifi

Wifi

- eduroam
- guests
 - You should have received an email
- users
 - Only for IAA staff

Also **available room** in the floor below

Let's the show begin !
